Partnership

The Startup Lab project is built on close cooperation between committed European partners;

- Panevėžio Prekybos, Pramonės Ir Amatų Rūmai
- Association Hexagonale De L'innovation Sociale Et De L'éducation
- EduXperts Teknoloji Eğitim Ve Danışmanlık

Inclusive digital growth, creativity, and sustainable digital entrepreneurship.

Startup Lab: Empowering Adults to Build Digital Businesses project has been officially approved for implementation. This milestone marks the beginning of an exciting international collaboration dedicated to strengthening digital entrepreneurship, innovation, and employability among adult learners across Europe.

A Shared Vision

The partners will collaborate on:

- The development of a modular digital entrepreneurship training programme
- The creation of an AI-supported online learning and mentoring environment
- Hands-on startup labs, workshops, and pilot activities at local and international levels
- Joint dissemination and outreach activities to reach educators, learners, and innovation stakeholders across Europe

Kick-off Meeting

The kick-off meeting of the Startup Lab project took place on 11 November 2025 in Goussainville, France. Hosted by the Association Hexagonale de l'Innovation Sociale et de l'Éducation, it marked the formal start of the project's implementation phase.

Partners reviewed the project plan, defined everyone's roles, and assigned tasks for each work package. They focused on improving teamwork and planning Activity 1 to ensure the project starts smoothly.
